

Trombone Slide Position Chart

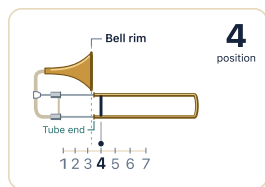

Every note from low E to high F (written E2 to F4). 26 notes, each with its staff notation and its slide position. Free to view, no sign-in. Notes are shown as written for trombone. Concert pitch (bass clef): sounds as written.

Teachers: you may print and copy this chart for your students.

Each picture shows where the slide goes, from 1st position (slide all the way in) to 7th position (full extension). The big number is the position. Notes marked First 5 are the five the learning path starts with.
